

Freedom Dolphins Buddy Program

The Big Buddy Program encourages team cohesion and spirit while welcoming new swimmers onto the team. Swimmers ages 11-18 can be big buddies, swimmers 10 and under can be little buddies. Every little buddy will be matched with a big buddy. Both swimmers are encouraged to cheer for each other during meets and participate in a Fun Friday Practice together.

I would like to participate in the Buddy program:

Swimmers Name: _____

Swimmers Age: _____

Requested Buddy: _____

**** Please note that request are not guaranteed, swimmers will be notified as soon as possible.
